

**BROWNSTONE**  
PRIVATE SECURITY

# HOTELS, MOTELS, LODGING & HOSPITALITY

Brownstone Private Security provides a variety of services to the hotel, motel, lodging and hospitality industry. Brownstone has experience working with small/express stay facilities to large/multi-venue facilities. Our team is ready to provide a mix of staff personnel and services to address all coverage needs, while providing world-class customer service to all guests.

## **Available Officer Types**

### **Uniformed Officers**

Stand post and/or patrol facilities, assist guests, observe and report to ensure safety of facilities and compliance of security policies.

### **Vehicle Patrol Officers**

Vehicle patrol units are available as marked/unmarked vehicles, bicycles, segways, golf carts, or other, as needed.

### **Loss Prevention Officers**

Loss Prevention services and officers are available for all retail establishments on the facilities to reduce any internal/external thefts.

### **Plainclothes/Suited Officers**

Plainclothes and suited officers available, depending on facility type or event.

## **Available Services**

### **Internal & External Facility Patrol**

Continuous patrol of all internal and external facilities.

### **Outdoor Facility Monitoring & Management**

Monitor and manage parking lots, pools, cabanas, etc.

### **Guest Assistance**

Address all guest questions or complaints in a timely and respectful manner.

### **Restaurant, Bar, Club, Retail Security**

Provide specific and additional security for any food or retail locations on the premises.

### **Special Event Security**

Uniformed/plainclothes guards to assist with any corporate conferences, private parties, weddings, etc, that take place in the facilities. Additional event staffing available.

### **Additional & Customizable Services**

All officers ensure safety, observe/report, while continuing to provide world-class customer service. Additional duties may include late night invoice deliveries, supplemental house staff duties, and anything to ensure the best customer experience.
